RE: REVISION OF SUB-COUNTY SCHOOLS CHOICES BY KCPE CANDIDATES

In order to enable the Ministry place all learners to secondary schools centrally, candidates must revise their subcounty schools choices (referred to day schools).

The Kenya National Examination Council has therefore made it possible for learners through their schools to revise the choices between 15th February, 2021 and 26th February, 2021.

Kindly advise all primary schools presenting candidates for KCPE that the choice of day schools will be based on the parents/guardians/area of residence. This is a departure from the past where candidates made choices from schools within sub-counties where they sat for examinations. In essence day schools should be within commutable distance from their residence.

The schools therefore need to be provided with the list of all subcounty schools in the country,

A soft copy has been sent to you by email.
